

## About Us

Connecting DFW Restaurant is an online restaurant guide allowing visitors and residents to find restaurants they desire in the Dallas - Fort Worth Metroplex. This restaurant guide website is one of the newest updated guides of the Connecting US Cities portal of US community connections. With over 100 city guides, Connecting US Cities is the central location for people to connect to cities within the United States whether they are seeking travel information or simply learning about their community. Our city guides allow visitors to find people, places, and activities they will love in their community of choice. These city guides are the central place for residents and visitors to go and experience their great city, lifestyle and businesses!
